

AUTOLIV PRIVACY NOTICE FOR RESEARCH PARTICIPANTS

First release: 19.05.2025

At Autoliv, we care about the safety of your data. This notice provides information about how we manage your information and how to exercise your data protection rights.

WHO IS RESPONSIBLE FOR YOUR DATA?

Autoliv Development AB, with company registration number 556070-0543, ("Autoliv") with its registered office at Wallentinsvägen 22, 447 83 Vårgårda, Sweden, is processing your personal data in its capacity as a data controller. All the other entities that are processing your data on behalf of Autoliv are listed at the end of this notice, in Annex No. 1

All personal data processing is done following the applicable privacy legislation. If you have any questions regarding the use of your data, please contact our team at the Autoliv Global Privacy Office at alv-dataprivacy@autoliv.com.

WHAT PERSONAL DATA DO WE PROCESS AND WHY?

This notice explains how your data will be collected, used, and protected in connection with your participation in one of the research studies conducted by Autoliv.

Personal data refers to any information related to an identified or identifiable natural person. This can include but is not limited to details such as names, identification numbers, location data, online identifiers, photos, and videos, etc.

We collect and process your data as part of our research and innovation projects to develop, test, improve, and evaluate the effectiveness of automotive safety products and technologies. These products/technologies aim to enhance road safety, reduce the potential impact of road accidents, and support responsible driving behavior.

Your data will be used as follows:

Purpose	Personal data	Lawful basis	Retention period
To submit your application for the Research and to get in contact with you in case you are one of the selected participants	<ul style="list-style-type: none"> First Name and Last Name Email Country and City Phone number Your size in case the research project is linked to a garment 	Consent	Duration of the Research + 36 months after the Research ended
To explain/broadcast on this research initiative, to educate, and to choose consenting participants.	<ul style="list-style-type: none"> First Name and Last Name Email Country and City Phone number 	Legitimate interest	Duration of the Research + 36 months after the Research ended
Processing is necessary for the performance of a contract with the individual or to take steps at their request before entering a contract	<ul style="list-style-type: none"> First Name and Last Name Email National ID/security number Country and City Phone number Signature And in case of a paid participation, we will also collect 	Contract	Duration of the Research + 36 months after the Research ended

	your Bank account number		
To set up your profile and cluster the data collection as part of the Research. (Data Collected during the Research, if you choose to provide)	<ul style="list-style-type: none"> Gender Hight Weight Birth year Details about the vehicle you are driving 	Consent	<p>During the Research + 36 months after the Research is finalized</p> <p>In case the collection is through an app, the retention is as long as you have an active account. For users with no activity in the app, the data will be anonymized after 36 months</p>
Develop new safety features or product updates	<p>Driving behavior metrics:</p> <ul style="list-style-type: none"> Speed Acceleration/Deceleration Rotation Steering patterns <p>Information about your trips:</p> <ul style="list-style-type: none"> Start time/end time Duration of the Geolocation/route <p>Sensor or video data (if equipped with cameras such as dash cams and/or GoPro)</p>	Consent	<p>In case the collection is made through an app, the retention is as long as you have an active account.</p> <p>For users with no activity in the app, the data will be anonymized after 36 months</p> <p>During the Research + 36 months after the Research is finalized</p>
Assess the performance and safety benefits of the Products	<p>Information about your trips:</p> <ul style="list-style-type: none"> Start time/end time Duration of the Geolocation/route <p>Information about incidents you were part of that are collected based on the pre-defined questions and answers</p> <p>User feedback or survey responses</p>	Consent	<p>In case the collection is made through, an app the retention is as long as you have an active account.</p> <p>For users with no activity in the app, the data will be anonymized after 36 months</p> <p>During the Research + 36 months after the Research is finalized</p>
Identify usage trends and potential improvements of our products	<p>Driving behavior metrics:</p> <ul style="list-style-type: none"> Speed Acceleration/Deceleration Rotation Steering patterns <p>Information about your trips:</p>	Consent	<p>During the Research + 36 months after the Research is finalized</p> <p>In case the collection is made through an app the retention is as long as you have an active account.</p>

	<ul style="list-style-type: none"> Start time/end time Duration of the Geolocation/route <p>Sensor or video data (if equipped with cameras such as dash cams and/or GoPro)</p> <p>User feedback or survey responses</p>		For users with no activity in the app, the data will be anonymized after 36 months
To get more information and understand the critical or near-miss events which is of interest to the Research team	User feedback or survey responses	Consent	During the Research + 36 months after the Research is finalized

For more information about data collection through On-Board Cameras, please follow the link: [Privacy Notice for Onboard Cameras | Autoliv](#)

WHO DO WE SHARE YOUR DATA WITH?

We engage trusted third-party service providers ("processors") to process personal data on our behalf, by applicable data protection laws. These processors support various business operations, including IT services, cloud storage, communication platforms, analytics, and participant management. We maintain an up-to-date list of these processors, which may be modified from time to time to reflect operational changes. You can request access to the current list of processors at any time by contacting us at alv-dataprivacy@autoliv.com.

Categories of recipients include:

- Third parties that Autoliv Group engages as processors. Your data will be processed by data processors that are Autoliv companies within the Autoliv Group, where sharing is done to provide information to the development and incubation teams, data processors that are contractors who evaluate and analyze the data, data processors that provide systems used by Autoliv to enable communication and storage, data processors that will facilitate the payments to the study participants, where necessary, to conduct interviews with the study participants
- Authorities and law enforcement agencies, if requested for audit purposes or to verify compliance with legal requirements
- Legal or professional advisers, where necessary for the establishment, exercise, or defense of legal claims
- Your data may be shared with other Autoliv entities within the Autoliv Group for purposes of operational management, ensuring IT and information security, and maintaining business continuity. A list of the relevant Autoliv entities is provided in Annex no 2.

We do not otherwise reveal your data to non-Autoliv persons or businesses for their independent use unless: (1) you request or authorize it; (2) the information is provided to comply with the law (for example, to comply with a search warrant, subpoena, or court order), enforce an agreement we have with you, or to protect our rights, property or safety, or the rights, property or safety of our employees or others; (3) the information is provided to our agents, vendors or service providers who perform functions on our behalf; (4) to address emergencies or acts of God; or (5) to address disputes, claims, or to persons demonstrating legal authority to act on your behalf;

Those individuals and official authorities may be in one of the countries in Annex No. 1.

HOW DO WE ENSURE APPROPRIATE PROTECTION OF PERSONAL DATA

Autoliv always ensures that the same high level of protection applies to your data according to the [EU General Data Protection Regulation \[Regulation \(EU\) 2016/679 of the European Parliament and of the](#)

Council of 27 April 2016 on the protection of natural persons about the processing of personal data and the free movement of such data, and repealing Directive 95/46/EC] and other applicable privacy acts, even when the data is transferred and processed outside of the jurisdiction you are operative in. Your rights concerning your data are not affected when data is transferred to a third country.

We implement industry-standard security measures to protect your data, including:

- Encryption of data in transit and at rest
- Secure storage systems with restricted access
- Regular audits and risk assessments
- Anonymization or pseudonymization, where appropriate

If you want more information about the technical and organizational measures or the implemented safeguards, please contact our Privacy Office at alv-dataprivacy@autoliv.com.

WHAT RIGHTS DO YOU HAVE RELATED TO THE PROCESSING OF YOUR DATA?

You have several rights related to your data and to receive information directly from us about how we process personal data about you. If you want to know more or come in contact with us to exercise your rights and for other types of privacy questions, please email us at alv-dataprivacy@autoliv.com.

The right to have your personal data deleted

You have the right to ask us to delete personal data about you, for example personal data that we no longer need for the purpose it was collected for, or personal data that we process based on a consent that you wish to revoke.

Right to be informed

You have the right to be informed of how we process your personal data. We inform you through this privacy notice, by general employee privacy notices issued from time to time, and by answering your questions at any given time.

Right to receive access to your personal data

You have the right to know if Autoliv processes personal data about you, and to receive a copy ("data extract") of such data. Through the data extract, you will receive information about what personal data we hold about you and how we process it.

Right to rectification

You have the right to request that we rectify inaccurate information or complete information about you that you consider is inaccurate or incomplete.

Right to restrict processing

If you believe that your personal data is inaccurate, that our processing is unlawful or that we do not need certain information for a specific purpose, you have the right to request that we restrict the processing of such personal data. You also can request that we stop processing your personal data while we assess your request.

Right to object to our processing of your personal data

You have the right to object to processing your personal data, for example when the processing is based on legitimate interest, by referencing your personal circumstances. When you object to our processing, you may also request us to restrict the processing of that personal data (as described above) while we make our assessment.

Right to object to an automated decision that significantly affects you

You have the right to object to our use of automated decisions or conclusions if the decision produces legal effects or significantly similarly affects you. Please note that no automated decision-making is being conducted within the scope of the survey.

Right to withdraw your consent

Where we process your data based on your consent, you have the right to withdraw that consent at any time. Autoliv will respect your decision by ceasing the processing of your data and discontinuing its use. Withdrawing your consent will not affect the lawfulness of any processing we conducted prior to your withdrawal, nor will it affect processing of your Personal Data conducted in reliance on lawful processing grounds other than consent. If you have any concerns or want to exercise your right to withdraw your consent, please email us at alv-dataprivacy@autoliv.com.

Right to lodge a complaint

If you have complaints about our processing of your data, you may complain with the lead supervisory authority (<https://www.imy.se/en/individuals/forms-and-e-services/file-a-gdpr-complaint/>). Please email us at alv-dataprivacy@autoliv.com in case you need our support to identify a different lead authority or the proper authority to contact in your country.

Profiling and automated decision-making

Autoliv does not take any solely automated decisions, including those based on profiling, that have a legal or similarly significant effect on you.

HOW DO WE USE COOKIES AND OTHER TYPES OF TRACKING TECHNOLOGY

To provide a good experience and personalized content, we may use cookies in different interfaces, such as on our website. Information about how you can accept or decline cookies, including managing specific cookie preferences, is available in each respective section. For a detailed overview of which cookies we have implemented on the Autoliv website, please consult the Autoliv Cookie Notice available [here](#).

UPDATES TO THIS NOTICE

We are constantly working to improve our data protection practices, which may involve modifications to our processing of your data. If that improvement requires a notice or consent under applicable law, you will be notified or allowed to give your consent.

MOBILE APPLICATIONS

For some research projects, we might use our ACSP App. When you access or use our mobile applications, we will collect personal information. For more information about data collection while using our App, please follow the link: [Privacy Notice for the ALV ACSP App | Autoliv](#)

HOW TO CONTACT THE AUTOLIV GLOBAL PRIVACY OFFICE

Autoliv has a group data protection officer and a team of data protection specialists. You can reach all of these individuals at alv-dataprivacy@autoliv.com.

If you specifically wish to contact Autoliv's data protection officer, please type so in the subject line.
