

Autoliv Named Safety Supplier of the Year by Ford

(AUBURN HILLS, Michigan, June 4, 2015) – – – Autoliv, the worldwide leader in automotive safety systems, has earned Ford Motor Company's 2014 Safety Supplier of the Year and 2014 Gold Supplier of the Year for its facility in La Pobla de Vallbona, Spain.

Ford's 17th Annual World Excellence Awards recognize suppliers that exceed the company's expectations and distinguish themselves from their peers by achieving the highest levels of global excellence in quality, cost, performance, and delivery.

Autoliv's facility in Spain conducts deployments tests and manufactures products that save lives, including driver and passenger airbags, side airbags and inflatable curtain airbags. The honor is the second for the facility, which also won the Ford World Excellence Gold Award in 2013.

"The foundation of our success is our passion for saving lives, our continuous innovation of new technologies and strong focus on quality," said Jan Carlson, Autoliv Chairman, CEO and President. "Ford continues to be a valued customer of ours and it is with great pride and appreciation that we accept this recognition."

"Ford's World Excellence Awards allow us to recognize and thank our partners who support us in all we do," said Hau Thai-Tang, group vice president, Global Purchasing Ford Motor Company. "In a year with a record number of global product introductions, Autoliv demonstrated a strong commitment to both quality and performance, and we're honored that they are a part of our ONE Ford team."
